The Dancing Gauchos

The Dancing Gauchos will entertain your students with a high-action performance of breathtaking routines while educating them about the uniqueness of Argentina and its gauchos.

Beautiful music and costumes, flamenco dancing, fast action boleadora routines, and rhythmic percussion are combined to make this an incredible act.

They have been featured at: Bally's of Las Vegas, Harrah's Hotel, Universal Studios, Walt Disney Epcot Center and Lincoln Center of New York. The Dancing Gauchos have performed at the 2000 Olympics in Sydney, Australia and the 2004 Olympics in Atlanta, Georgia.
