

Wildlife Encounters presents Global Safari

Global Safari will take the students on an interactive and captivating geographical journey across the oceans and seas visiting various countries throughout the globe. Global Safari will showcase live animal ambassadors and cultural artifacts (costumes, masks, sculptures, musical instruments, and ceremonial objects) from around the world for a fun and educational learning experience to build multicultural understanding. The presenter and students will explore and talk about other cultures, geography, natural history, survival, natural behaviors, and conservation education.

Students will also discover the working relationship between animals and humans, how animals have played an important role in all types of human cultures, and how animals have inspired humans throughout time.

Each presentation will feature 5-8 live animal ambassadors from various countries throughout the world. The following animal list is subject to change due to individual state and federal regulations.

- Palm Civet
- Eurassian Eagle Owl
- Crested Porcupine
- Antarctic bird
- African Wild Cat
- Wolf
- Flying Phalanger
- Arctic Fox
- Pole cat
- Macaw
- Alaskan Malamute
- Primate
- Hornbill
- Cane Toad
- Bird of Prey
- Skunk
- Ground Hog

"The assembly was very engaging for the students and staff. The presenter shared so much interesting information about each of the animals they showed. It was a good blend of entertainment and education with audience participation. The students were thrilled and couldn't stop talking about the animals the rest of the day."
